## AREA OF EXPERTISE

James Benson joined LCK in January, 2017, as Assistant Project Manager. A 2016 graduate of the University of South Carolina, James earned a Bachelor of Science degree in Civil Engineering. His education and skills have easily transferred to LCK as he provides project management support and contract administration for LCK project managers and clients. James gained experience at LCK as an intern while attending USC.

Prior to joining LCK, James interned at the local office of a national structural engineering firm headquartered in Pittsburg, PA. Through his internships, James gained crucial experience and knowledge which bring value to his role as Assistant Project Manager.
